The chapter received the Pillar Two Accreditation Standard set by Sigma Sigma Sigma National Headquarters for 2018. The chapter also raised a substantial amount of philanthropy dollars this year, primarily by hosting the first annual Sigma Stacks event. Another accomplishment this chapter has made is with our successful recruitment by defining new recruitment efforts. The chapter was able to grow by adding 13 wonderful new members that have brought new energy and life into this chapter. The chapter was able to strengthen its operations in many areas such as leadership training, housing procedures, finances, social involvement, and leadership transition programs. The biggest thing that members are proud of this year is how powerful our sisterhood has become. Each woman of the chapter has worked to make the sorority a welcoming, empowering, and loving place to be. Tri Sigma is stronger than we have ever been and we are ready to take on the next year with positivity and further growth on our mind.
