FALL ENROLLMENT AT FHSU REFLECTS GROWTH IN SEVERAL KEY AREAS

9/29/23

Despite a continuing decline in Kansas' rural population and the number of college-going students in our state - a number expected to reach 15 percent by 2029 - enrollment at FHSU grew in several key areas. Fall enrollment at Kansas' largest comprehensive regional public university was 12,483 students and includes students enrolled in on-campus, online, and international partner-hosted campus courses.

BRINGING HISTORY TO LIFE

9/28/23

At Fort Hays State University, our resolve to outlast and achieve is as firm and steady as our century-old limestone buildings. A great example of this resolve is our history department. Our history program is innovative, student-centered, and growing.

History students delve into the depths of time, grappling with the complexities of the human experience while surrounded by faculty who are always willing to go the extra mile to see students learn, grow, and succeed. With an unwavering dedication to research, critical analysis, and interdisciplinary approaches, our history faculty cultivate a vibrant academic experience.
