[CELEBRATING SACAD, FHSU'S ANNUAL LEARNING AND CREATIVE EXPRESSION SHOWCASE](#)

04/12/24

It has been my pleasure to witness the growth and expansion of the John Heinrichs Scholarly and Creative Activity Days (SACAD) throughout my time at Fort Hays State University. For the past nineteen years, what started in 2005 with students exhibiting their research in Tomanek Hall, SACAD has grown into a week-long campus-wide showcase of the remarkable research and creativity of FHSU students, faculty, and staff that includes both online and in-person events and activities.
